01

Porta-brew Jet Boil SO1

The SO1 will boil half a litre of water in 75 seconds – that's three cups of tea, faster than your kettle – packs down inside itself, weighs just 300g and comes with auto-ignition so you don't even need a lighter to get brewing. **£115**

02

02

Chill out Mobicool S16 rucksack

It might look like something your dad takes fishing, but once plugged into the DC fag lighter in your car, this 16 litre mini-fridge will chill your beers to perfection, ready for the day ahead. **£49.99**

04

04

Get connected MiFi

Festivals are all about peace, love and Facebook updates, so use this mobile Wi-Fi modem that'll create a wireless broadband connection for you and four mates. You get surprisingly rapid speeds even in the middle of nowhere. **£84.99** (pay as you go) **three.co.uk**

05

05

Super signal Binatone Marina 900 two-way radio

Sidestep mobiles with this set of old-school two-way radios. You and your bezzie get a 10km range, 16-hours of battery and a choice of 968 channels to maximise reception. Roger that. **£69.99**

06

Lounge lover

Kathmandu Air Sofa V2

A two-person velour-coated inflatable sofa for a fraction of the price of a hot volcanic shiatsu shoulder rub in the festival's healing field? Yes please. Put your feet up, take the weight off and watch out for those ciggie burns. **£24.99**
kathmandu.co.uk

Rickie & Melvin's top pick!

"Nobody wants to be sitting around on a patch of muddy grass in their finest festival threads," say Kiss 100 legends Rickie and Melvin.

"Especially with the weather we are prone to having in the UK around festival season. But the real advantage is: it's a two-seater! What hot chick isn't going to want some Air Sofa action?"

Stay safe Lockdown

"Oops, soz, wrong tent mate!" is Scally for, "I've just nicked your wallet and car keys, mate!" but once Lockdown's spikes are screwed into place and fastenings hidden, only an army of moles will be able to get at your gear. **£39.99**
